Purple Group started its remarkable journey in 2009 with an ambitious vision of reshaping the real estate spectrum by developing high-end living and commercial spaces. A commercial mall & residential apartment in Barmer, a main town situated in the western part of Rajasthan, were the first landmarks by the group. The project garnered overwhelming response from the people of Barmer and posed Purple as the fastest growing real estate name in its area of operations. The next milestones in the Journey were Purple's Panache - a multi-storey residential hub in the city of Alwar and Purple's Vivanta - a commercial-cum-residential apartment in Kota. Since then the group has grown by leaps and bounds and established itself as a trusted real estate name with significant leadership qualities. Purple's signature projects are considered to be the epitome of lifestyle grandeur and unmatched comfort. Today, the group is poised to mark its presence on the larger spectrum of Rajasthan's real estate by expanding its footprints across the length and the breadth of the state while realising its larger well-defined vision.
